## SECURITY AGREEMENT

SEP 25 1989 -2 45 PM

## INTERSTATE COMMERCE COMMISSION

THIS AGREEMENT, made in Washington, D.C., as of October 5, 1983, between the NATIONAL RAILROAD PASSENGER CORPORATION ("Amtrak"), having its principal place of business at 400 North Capitol Street, N.W., Washington D.C. 20001, and the FEDERAL RAILROAD ADMINISTRATOR ("Administrator") of the Department of Transportation of the United States of America, Washington, D.C.

WHEREAS, the Administrator, pursuant to authority granted under section 602 of the Rail Passenger Service Act (45 U.S.C. 602) and in accordance with a delegation of authority from the Secretary of Transportation, guaranteed payment of principal and interest on certain financial obligations of Amtrak held by the Federal Financing Bank;

WHEREAS, on October 5, 1983, the Administrator was required to honor its guarantees and to pay to the Federal Financing Bank on Amtrak's behalf the sum of \$1,119,635,428.43;

WHEREAS, in order to recognize Amtrak's resulting debt to the Administrator, Amtrak has executed a Note dated as of October 5, 1983, establishing Amtrak's obligation to repay the sums paid by the Administrator on behalf of Amtrak under the guarantee agreements;

WHEREAS, Amtrak and the FRA have entered into an Agreement dated as of October 5, 1983 as to Terms and Conditions accompanying the Note wherein the Administrator has requested and Amtrak has agreed to certain terms and conditions to the making of the Note;

WHEREAS, the Security Agreement of August 7, 1972, as adopted by the Security Agreement of December 27, 1973 and as further adopted by the Security Agreement of January 29, 1975, states that Amtrak agrees that it will at any time, upon the request of the Administrator, perform all such further acts as shall be reasonably required to effect the intent of those Agreements, and to secure and confirm to the Administrator and the Administrator's successors all the rights thereinbefore described and intended to be assigned as collateral security, so as to render the same subject to the terms and provisions of that agreement;

NOW, THEREFORE, IT IS MUTUALLY AGREED, AS FOLLOWS:

The Administrator, acting as the Secretary's delegate, and Amtrak mutually agree to amend the Security Agreement of January 29, 1975. Such amendment shall consist of striking from the January 29, 1975 Agreement, the text of the Agreement in its entirety, and substituting therefor the following:

(1) That Amtrak hereby assigns, transfers, and sets over to the Administrator, and the Administrator's successors and assigns, all of its right, title, and interest in and to the rolling stock described in Attachment A hereto, which Amtrak affirms to be all of the rolling stock now owned by Amtrak, and without further agreement, in all rolling stock hereafter acquired by Amtrak (all hereinafter referred to as "Equipment"), free and clear of liens and encumbrances, except for liens and encumbrances which have attached prior to Amtrak's acquisition of title thereto or in connection with the acquisition of title thereto, TO HAVE AND TO HOLD such equipment unto the Administrator, and the Administrator's successors and assigns to their own use forever, but subject nevertheless to the following terms and provisions.

(2) So long as the terms, provisions, and conditions of this Agreement and the Note shall be kept, observed, and performed by Amtrak, Amtrak shall have the right at all times to use the Equipment in lawful conduct of its business provided, however, that without the prior written consent of the Administrator, Amtrak shall not sell, assign, convey, abandon, or otherwise dispose of any Equipment, or transfer the right of possession to any unit of Equipment.

(3) Amtrak covenants that, so long as the Note remains unpaid and outstanding, it will:

(a) Notify the Administrator on a quarterly basis of the acquisition of title to any Equipment acquired after the date of this Agreement, or after receipt of notice of the loss or destruction of any Equipment, and within ten (10) business days after receipt of notice of any claim of any third party in the Equipment adverse to that of the Administrator;

(b) Maintain the Equipment in good order and repair, suitable for the purposes of transporting passengers, and maintain and operate said Equipment in compliance with all applicable rules, regulations, and orders of all State and Federal agencies having jurisdiction over such Equipment;

(c) Except as provided in Section 1 of this Agreement and in accordance with applicable law, pay and keep the Equipment free and clear of any and all taxes, assessments, encumbrances, and liens of every kind and description whatsoever;

(d) On or before January 1 of each year, commencing with January 1, 1984, furnish the Administrator an accurate report, as of the preceding November 1, on the condition and state of repair of each unit of Equipment;

(e) Cause each unit of the Equipment to be kept numbered with its identifying number as set forth in Attachment A hereto, or in the case of Equipment not listed, such identifying number as shall be set forth in the notice to the Administrator as provided in subsection (a) of this Section.

(f) Indemnify and hold the Administrator harmless from and against all claims for losses, damages, injuries, and expenses in connection therewith, arising out of, or as the result of entering into or the performance of this Agreement, the security vested in the Administrator, and the use, operation, or condition of the Equipment. This covenant of indemnity shall continue in full force and effect notwithstanding the termination of this Agreement.

(4) It is agreed and understood that all additions and all replacements made to any unit of the Equipment shall constitute accessions to the Equipment and shall be subject to all the terms and conditions of this Agreement and shall be included in the term "Equipment" as used in this Agreement.

(5) In the event Amtrak fails to pay the outstanding balance of the Note plus interest as applicable at maturity or upon any required payment under any acceleration provision of the Note, Amtrak shall be considered in default. In the event of a default, in addition to any other remedies available, the Administrator may, upon fifteen (15) days prior written notice to Amtrak, take or cause to be taken, by its agent or agents, immediate possession of Equipment equivalent in net book value to the amount due under the Note. In case the Administrator shall demand possession of the Equipment and shall designate a reasonable point or points for the delivery of the Equipment to the Administrator, Amtrak shall, at its own cost and expense, forthwith cause the Equipment to be moved to such point or points, and shall there deliver the Equipment, or cause it to be delivered to the Administrator or the Administrator's agent. In case the Administrator elects to sell the Equipment, Amtrak shall be given written notice of such proposed sale not less than ten (10) days prior thereto. Any such sale shall be subject to the right of Amtrak to purchase the Equipment at the same or better price offered for the Equipment. If, after applying sums of money realized by the Administrator from the

sale of Equipment, there shall remain any amount due the Administrator by Amtrak, Amtrak shall pay the amount of such deficiency to the Administrator upon demand, and, if Amtrak shall fail to pay such deficiency, the Administrator may bring suit therefor against Amtrak. If, after applying all sums realized by the Administrator, a surplus remains, such surplus shall be paid to Amtrak.

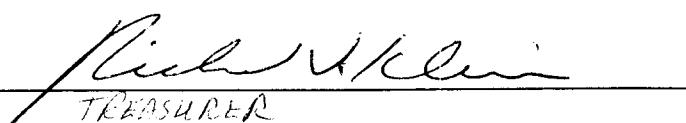

(6) Amtrak further agrees that it will at any time, and from time-to-time hereafter, upon request of the Administrator, make, do, execute, deliver, and perform all such further acts as shall be reasonably required to effect the intent of this Agreement, and to secure and confirm to the Administrator or the Administrator's successors and assigns all of the property, security, and rights, hereinbefore described, and intended to be assigned as collateral security, so as to render the same whether now owned, or hereafter acquired, subject to the terms and provisions of this Agreement.

(7) When the Note has been satisfied, absolute right to possession of, title to, and property in the Equipment shall pass to and vest in Amtrak without further transfer or action on the part of the Administrator. However, the Administrator, if so requested by Amtrak, will execute and deliver at the same place, for filing or recording in all necessary public offices such instrument or instruments in writing as may be necessary or appropriate in order to make clear upon the public records the title of Amtrak to the Equipment.

IN WITNESS WHEREOF, the undersigned, duly authorized officers of the parties hereto, have executed this Agreement by signing it as of the date hereof.
